Education

Interaction Technology (Graduated)

Sep 2019 - Mar 2023

University of Twente, Enschede

An English-taught Master's during which I studied and shaped the interaction between people and (IT-based) technologies

Creative Technology (Graduated)

Aug 2016 - Jul 2019

University of Twente, Enschede

Creative Technology | Specialization: New Media (Game- and Audio Design) | Minors: 'Serious Gaming' & 'Human Factors and Engineering Psychology'

VWO (Graduated)

Aug 2010 - Jul 2016

't Hooghelandt College, Amersfoort

VWO | NG study program | Specialization: 'Onderzoeken & Ontwerpen' (Researching & Developing) | Extra course: Geography

Experience

Student Assistant Interactive Media

Aug 2020 - Nov 2022

University of Twente, Enschede

The first module of each (scholastic) year I would assist a group of students with developing a game

Mobile App Developer

Oct 2019 - Feb 2021

Stichting Historische Soceïteit Enschede - Lonniker

Lead developer on an Augmented Reality app which is able to scan tombstones on the Boerenkerkhof in Enschede and tell stories about the people buried there

Boxing Trainer

Aug 2017 - Apr 2023

E.S.B.V. Buitenwesten, Enschede

Giving boxing training and clinics, assisting with the planning of matches and events

Student Assistant Programming

Mar 2018 - Jun 2018

University of Twente, Enschede

Assisting 3th year Industrial Design Engineering students with the programming of their projects

Butcher Shop Employee

Jan 2013 - Feb 2017

Slagerij van Asch, Soest

Internships

Graduation Project Bachelor Creative Technology

Jan 2019 - Jul 2019

Roessingh Research & Development, Enschede

I worked on improving, optimizing, and reducing motion sickness in a Virtual Reality cycling simulation for children with DCD. This project won the 3th place for best graduation thesis out of all 54 projects of our year

Side Activities

Activity Committee

Sep 2016 - Jul 2020

E.S.B.V. Buitenwesten, Enschede

Several Study-Related Hobby Projects

2015 - Present

As I hobby, I enjoy tinkering and crafting all kinds of projects. There are too many to list here, but I would like to refer you to the portfolio section on my website

Achievements

2019 & 2020 | Presenting on the open days for Creative Technology

2019 | 3th place Creative Technology Graduation Project Award

2018 | National student boxing champion 60-64 Kg

2018, 2019, 2021 & 2022 | Giving boxing clinics for summer youth camp
